Our staff also benefit from a vocational training programme, and are regularly supported by our Quality Matters Team to embark upon specialist mental health training, with an emphasis on internal promotion and staff development.

Location

Aaron Park Mews are located next to the Sea Front and Cleethorpes Beach, based in the grounds of our main home, Aaron Park, access being gained through our private courtyard.

Accommodation and services

Aaron Park Mews offers 2 cottages in the grounds of our main home offering clients the opportunity to receive care and support. The unit offers specialist support for clients with particularly challenging levels of need.

Prospective clients

All prospective clients of Aaron Park and the Mews will be encouraged to view all available vacant accommodation and visit for a trial day to fully experience the home. In advance of a place being offered, an individual care plan assessment focusing on individual choice and needs will be structured, the emphasis on involvement of the individual to focus on developing their personal skills and regaining a sense of purpose and independence.

Activities

All of our homes offer a full and varied activity programme, much of which is contained within the home, but using the benefit of our on-site transport, also allows clients access to the local community. Whilst we very much regard it as our responsibility to provide a safe, secure environment, we will encourage all clients to participate in all that we offer, welcoming you to enjoy life at PrimeLife, Aaron Park Mews.
