Accommodation and services

Brockshill Woodlands Cottages are a combination of one and two bedroom cottages offering supported living for clients who wish to retain a degree of independence, safe in the knowledge that care is available on-site. The four domestic style cottages offer intercom security access, a call bell link to the main home, off-road parking, a fully fitted kitchen/dining area, either 1 or 2 bedrooms, and a small garden which can be maintained either by yourself or by buying an individual care package.

Our staff will provide daily pastoral service to ensure that all is well, but our support will be offered on an 'as needs' basis promoting your on-going independence.

The accommodation can be offered on either a freehold or leasehold basis, with affordable service charges, giving you peace of mind that help is at hand for all key issues.

Prospective clients

All prospective clients are encouraged to view available vacant accommodation. Prior to being offered a place, an individual support package will be structured bespoke to your individual needs and choices. All our care can be varied at short notice, to offer you peace of mind that as your needs and wishes alter we can provide as much or as little support as you require.

Activities

We will encourage all clients at Brockshill Cottages to join in with our activity programmes at the main home, and to take advantage of our regular trips out into the local community, on specially adapted transport, welcoming you to enjoy life at PrimeLife, Brockshill Cottages.
