## Our team

Elloughton House employs approximately 25 staff all of whom are trained in the key aspects of care delivery, to ensure the provision of a safe, quality service to our client group. Full details of the training undertaken by our staff can be obtained from the Home Manager, Jane Tanner, who has completed her NVQ Level 4 in Social Care and is completing her Registered Manager's Award, and has many years of experience of caring for elderly clients with dementia.

Our staff also benefit from a vocational training programme, and are regularly supported by our Quality Matters Team to embark upon specialist dementia training, with an emphasis on internal promotion and staff development, all of our nursing team are highly skilled and undertake regular development training.

## Location

Elloughton House is located central to the village of Elloughton, three miles from the Humber Bridge and adjacent to our sister home, Brough Lodge.

Due to re-open in July 2012

## Accommodation and services

Elloughton House provides for 28 clients in spacious single rooms for those whose needs are associated with old age and their mental state, including dementia. We can also accommodate clients with a physical disability, offering permanent or short-term respite stays. The home has also developed a reputation for delivering high quality palliative care services for clients with complex nursing conditions.

## Prospective clients

Prospective clients are encouraged to view all available accommodation and visit for a day to fully experience the home. Prior to any admission to the home our staff team will carry out an individual care plan assessment, which will focus on clients' specific choices and needs. Accepting a varying degree of ability, these care packages will be structured to the clients preferences and will focus on maintaining and promoting as much independence as possible.

## Activities

Whilst accepting that the majority of our clients will be suffering from dementia, we offer a sensitive support service to allow clients to embark upon a variety of daily living tasks. Everyone will be offered the opportunity to personalise their rooms and to maintain as much choice and independence as they either choose or are able to accommodate, taking advantage of our flexible dining arrangements the safe and secure landscaped gardens and our assisted bathing facilities.

We are also proud to offer a thriving activity programme, which focuses on regular reminiscence sessions and a variety of either individual or group activities with regular trips out into the local community on our wheelchair adapted Mercedes mini-buses.

Whilst we very much regard it as our primary responsibility to provide a safe and secure environment, we will encourage, in a sensitive manner, all clients to participate in all that we offer, welcoming you to enjoy life at PrimeLife, Elloughton House.
