Our team

Peaker Park employs approximately 120 staff all of whom are trained in the key aspects of care delivery, to ensure the provision of a safe, quality service to our client group.

Our staff also benefit from a vocational training programme, and are regularly supported by our Quality Matters Team to embark upon specialist dementia training, with an emphasis on internal promotion and staff development, our nursing staff also receive regular refresher training to ensure that we employ modern working practices for clients who need daily nursing input.

Full details of the training undertaken by our staff can be obtained from the Home Manager.

Location

Peaker Park Care Village is located on the outskirts of Market Harborough giving superb access to local shops and amenities, just a short drive from the beautiful Leicestershire countryside.

Accommodation and services

Peaker Park provides for a total of 137 clients in three separate facilities. Melody Court offers a specialist dementia care service with nursing support available to all of our clients, whilst Mulroy House and Fiddlers Corner offer apartment style bedroom accommodation, with kitchenette's for clients who retain more independence and who require support as opposed to direct care intervention. We can also accommodate clients with a physical disability, offering permanent or short-term respite stays in addition to a highly specialised palliative care service.

Prospective clients

Prior to any admission to the home our staff team will carry out an individual care plan assessment, which will focus on client's specific choices and needs. These care plans will be structured to the clients preferences and will focus on maintaining and developing as much independence as possible.

Whilst accepting that the majority of our clients will be suffering from dementia, we offer a sensitive support service to allow clients to embark upon a variety of daily living tasks, all will be offered the opportunity to personalise their rooms and to maintain as much choice and independence as they either choose or are able to accommodate.

Activities

We are proud to offer a thriving activity programme, which focuses on regular reminiscence sessions and a variety of either individual or group activities with regular trips out into the local community on our wheelchair adapted Mercedes mini-buses, more local trips can be accommodated on our courtesy "taxi" transport, which is free to use for all clients.

The care village also has a thriving residents committee with regular events being held in our Early Doors Bar and Cinema Lounge - both focal points of the programme. Whilst we very much regard it as our primary responsibility to provide a safe and secure environment, we will encourage, in a sensitive manner, all clients to participate in all that we offer, welcoming you to enjoy life at PrimeLife, Peaker Park.
