## Our team

St. Oggs employs approximately 20 staff all of whom are trained in the key aspects of care delivery, to ensure the provision of a safe, quality service to our client group.

Our staff also benefit from a vocational training programme, and are regularly supported by our Quality Matters Team to embark upon specialist mental health training, with an emphasis on internal promotion and staff development.

Full details of the training undertaken by our staff can be obtained from the Home Manager.

## Location

St. Oggs is located in the quiet Lincolnshire suburb of Morton, close to all local amenities.

## Accommodation and services

St. Oggs offers 20 all single room accommodation in either the main house, or in one of the 2 semi-independent living flats, which include resident's kitchenette with domestic style fittings which are located in the grounds of the home.

The service at St. Oggs allows clients to receive care and support with regard to their mental health needs, with the added opportunity to live in one of our single person flats allowing clients who wish to retain or regain significant levels of independence.

## Prospective clients

Prospective clients of St. Oggs will be encouraged to view all available vacant accommodation and to visit for a trial day to fully experience the home. In advance of a place being offered, an individual care plan assessment focusing on individual choice and needs will be structured, the emphasis on involvement of the individual to focus on developing their personal skills and regaining a sense of purpose and independence.

## Activities

All of our homes offer a full and varied activity programme, much of which is contained within the home, but using the benefit of our on-site transport, also allows clients access to the local community. Whilst we very much regard it as our responsibility to provide a safe, secure environment, we will encourage all clients to participate in all that we offer, welcoming you to enjoy life at PrimeLife, St. Oggs.
